Choosing the right price for your **Biology Viruses Study Guide Answers** e book is among the most important elements of the advertising process. The first rule of pricing ebooks is to never underprice. Determine the best price your audience can afford, after which for those who discover your e-book isn't selling, you can always scale back the price. Earlier than you are taking that step, be sure to are selling your Biology Viruses Study Guide Answers book like crazy on the Web and on websites. The value needs to be geared toward bringing in earnings, but you must by no means overlook that price is likely one of the elements that individuals use in judging the value of your *Biology Viruses Study Guide Answers* e-book ? earlier than they purchase it. So at all times start with the best price, and then launch a mega-marketing campaign.

Pricing an ebook is particularly tough as a result of ebooks are a reasonably new commodity. Since they are digital, the value of an e-book is as complicated because the understanding of what digital really is to the average layperson. Which means we must look at ebooks in a different light as a way to determine their precise price on this brave, new cyber world.

Let's look at the difference between a e book in print and an ebook. A printed guide is an object you possibly can maintain in your hand, store in your bookshelf, even hand down to the subsequent generation. It is priced on elements such as paper inventory, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the ability to alter, or possibly transform, people's lives.

What do you assume an idea is worth when evaluated against the cost of paper and ink?

It's the IDEAS that are helpful! That is the way you determine the price of your ebook.

What ought to I cost for my ideas?

There are all completely different formulas and methods for figuring out the right worth to your ebook. Let's begin with honing in in your final goals.

Decide in case your aim is to get large distribution and maximum exposure. This aim is aimed at drawing customers to your business or service, or to establishing the credibility of your reputation. If that is your fundamental goal, you must goal to maintain your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a high number of new customers. The bottom line is to discover a value that maximizes your income and the variety of books you sell.

This is a wonderful pricing strategy in case you are seeking to acquire long-time period customers. Long-term customers are extraordinarily likely to buy from you once more and again ? as long as the primary ebook they purchase is of exceptional quality and beneficial to the customer.

Nonetheless, if your book incorporates invaluable ? and more importantly NEW info, references, or strategies ? then you should aim to cost it on the excessive end.

After you determine your goal, you need to determine what your viewers's need is to your ebook. For example, does your e-book remedy a selected downside? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you'll be capable of achieve excessive gross sales at a excessive price. In case your book solves an issue or solutions questions in a new and distinctive way, it is best to worth your ebook as excessive as you may go. You'll achieve larger earnings this way, however bring in fewer customers. Just be certain the question or problem that your e book solves is one which is important and relevant to nearly all of your market audience. In case your ideas will not be frequent knowledge, or you're presenting a model new method, you will be able to sell books at a excessive price. Simply be ready for your competition to undercut you on worth as quickly as they hear about your book.

Needless to say the above pricing technique is temporary. Eventually, you'll stop to sell books at this excessive price. So figure out upfront how lengthy you plan to supply your e book at this excessive price, and when that time is up, change your pricing strategy.

If you wish to see massive earnings over buyer draw, aim for an audience that's looking for simple options to their problems at a low price. If your ebook is aimed at fixing one explicit downside rather than general recommendation, then you may cost more. Start on the highest worth the market will bear to usher in the largest profits, and plan to low cost the book a number of times all through the year.

Advertising and marketing Strategies

The important thing that unlocks the gross sales potential of your e book is to discover a single sentence that becomes your promoting handle. This sentence states what question or downside your e-book answers and the advantages your e-book can provide. Then make sure you use that sentence in every piece of sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously on-line, there are several different strategies that may allow you to promote extra books.

One is to offer something away without spending a dime with your ebook, resembling a helpful bonus item. Or bundle a number of ebooks below one value, which lowers the worth for each book if they were offered separately.

An effective approach for determining a value is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for their opinion by way of price. Do that by making a sales web page for the new e book, but do not embrace a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Ensure your gross sales copy is strictly the similar on

each web page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum value is.

Ultimately, should you've written a e book that solves a problem or presents a new technique, your ebook will herald each visitors and profits. So you'll want to write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your *Biology Viruses Study Guide Answers* book might be to the shoppers who buy it. And then watch your market come to you!
