In case you *Bju Chemistry Study Guide* worth it too excessive when compared together with your competitors, you will discover your self steadily reducing the price, which can cause you all kinds of new issues within the future.

Choosing the proper value in your **Bju Chemistry Study Guide** ebook is without doubt one of the most critical components of the marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the highest price your audience can afford, and then when you find your e book isn't selling, you possibly can at all times scale back the price. Before you take that step, be sure you are promoting your Bju Chemistry Study Guide e book like loopy on the Web and on websites. The value ought to be aimed toward bringing in income, however you should by no means forget that value is one of the factors that folks use in judging the value of your *Bju Chemistry Study Guide* ebook ? earlier than they buy it. So all the time start with the highest price, and then launch a mega-advertising campaign.

Pricing an ebook is particularly difficult because ebooks are a reasonably new commodity. Since they're digital, the value of an e-book is as confusing as the understanding of what digital

actually is to the average layperson. Which means that we should take a look at ebooks in a different gentle with a purpose to decide their precise worth on this courageous, new cyber world.

Let us take a look at the distinction between a e book in print and an ebook. A printed ebook is an object you'll be able to maintain in your hand, retailer in your bookshelf, even hand down to the subsequent generation. It's priced on components such as paper stock, design and manufacturing prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the ability to change, or probably remodel, individuals's lives.

What do you think an concept is value when evaluated in opposition to the price of paper and ink?

It's the IDEAS which are beneficial! That's the way you determine the price of your ebook.

What ought to I charge for my concepts?

There are all completely different formulation and methods for determining the correct worth on your ebook. Let's begin with honing in in your final goals.

Decide if your purpose is to get extensive distribution and maximum exposure. This purpose is aimed toward drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If this is your essential purpose, you must aim to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive variety of new customers. The bottom line is to find a value that maximizes your earnings and the number of books you sell.

This is a superb pricing strategy if you are seeking to purchase long-time period customers. Long-term customers are extremely doubtless to purchase from you once more and once more ? so long as the first ebook they purchase is of distinctive high quality and useful to the customer.

Nonetheless, in case your guide contains valuable ? and more importantly NEW info, references, or techniques ? then you should aim to price it on the excessive end.

After you determine your goal, you must figure out what your viewers's want is in your ebook. For example, does your ebook solve a specific downside? If it does, and solves it in a method that hasn't been written about in 100 other ebooks, you will be capable of obtain high gross sales at a

excessive price. If your e-book solves an issue or answers questions in a new and distinctive approach, you should worth your book as excessive as you can go. You'll achieve larger income this way, however herald fewer customers. Simply make sure that the question or drawback that your e-book solves is one that is necessary and related to the majority of your market audience. In case your ideas should not frequent knowledge, or you are presenting a model new approach, it is possible for you to to sell books at a high price. Just be ready on your competitors to undercut you on worth as soon as they hear about your book.

Remember that the above pricing strategy is temporary. Eventually, you'll cease to sell books at this high price. So work out prematurely how long you plan to offer your ebook at this high worth, and when that time is up, change your pricing strategy.

If you want to see giant income over customer draw, purpose for an audience that's on the lookout for easy options to their problems at a low price. If your e-book is aimed toward fixing one particular downside somewhat than general recommendation, then you may charge more. Start on the highest worth the market will bear to bring in the largest profits, and plan to discount the e-book a variety of occasions throughout the year.

Advertising Methods

The key that unlocks the gross sales potential of your book is to find a single sentence that turns into your promoting handle. This sentence states what question or downside your e-book solutions and the benefits your ebook can provide. Then you'll want to use that sentence in every piece of sales

and promotional materials, and every time anybody asks you about your ebook.

Apart from promoting your books assiduously online, there are several different strategies that can enable you to sell more books.

One is to present something away without spending a dime along with your e book, corresponding to a beneficial bonus item. Or bundle several ebooks underneath one value, which lowers the value for each book if they have been bought separately.

An effective approach for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion by way of price. Do that by creating a gross sales web page for the brand new e-book, but don't embrace a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure your sales copy is strictly the similar on every page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum price is.

Ultimately, in the event you've written a e-book that solves a drawback or presents a brand new technique, your ebook will herald each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what problem your e book solves and what the advantages of your *Bju Chemistry Study Guide* e-book will be to the shoppers who purchase it. After which watch your market come to you!
