An effective method for determining a worth is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion by way of price. Do this by making a sales web page for the brand new ebook, however do not embody a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Make certain your sales copy is strictly the same on every page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum value is.
