As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is exactly the same on every web

page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum worth is.
