Advertising Strategies

The important thing that unlocks the gross sales potential of your book is to find a single sentence that turns into your promoting handle. This sentence states what query or downside your e-book answers and the benefits your ebook can provide. Then you'll want to use that sentence in every

piece of sales and promotional materials, and each time anyone asks you about your ebook.

An efficient technique for determining a value is to ship out a survey to your current customers. If these customers have already bought an book from you, ask for their opinion in terms of price. Do this by making a sales web page for the new e-book, but do not embrace a value on that page. One other technique is to check out prices by making a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is exactly the identical on every page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum worth is.

Ultimately, in the event you've written a guide that solves a drawback or presents a brand new technique, your e-book will bring in both site visitors and profits.
