that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with totally different costs on every page. Be sure that your sales copy is precisely the similar on each page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum worth is.

In the end, should you've written a book that solves a downside or presents a new method, your guide will usher in both traffic and profits.
