An efficient approach for determining a worth is to ship out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the brand new e book, but do not embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate sales pages with completely different costs on each page. Be sure your gross sales copy is exactly the similar on each page, and

contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, for those who've written a e book that solves a drawback or presents a brand new technique, your guide will bring in each visitors and profits.
