If your ebook solves a problem or answers questions in a

new and unique way, it's best to price your e book as excessive as you may go. You'll obtain bigger income this way, however bring in fewer customers. Just make certain the question or drawback that your ebook solves is one that is necessary and related to the vast majority of your market audience. If you want to see massive income over customer draw, goal for an audience that is looking for easy solutions to their issues at a low price. If your book is aimed at solving one specific drawback somewhat than basic recommendation, then you'll be able to charge more. Begin on the highest price the market will bear to bring in the largest income, and plan to discount the e-book a number of times throughout the year.
