As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different costs on every page. Be sure your sales copy is exactly the identical on each web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum value is.
