One other technique is to check out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure that your sales copy is precisely the same on every page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.

Ultimately, for those who've written a e book that solves a problem or presents a brand new technique, your e-book will usher in each site visitors and profits.
