Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is exactly the similar on every

page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum price is.
