price. Do this by making a sales web page for the new ebook, but do not embody a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is precisely the similar on every page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum value is.

Finally, in case you've written a book that solves a downside or presents a new approach, your guide will bring in each traffic and profits.
