Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be certain your sales copy is strictly the identical on each web

page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.
